CAPE TOWN & WINELANDS 2018

ABOUT THE RHINO AFRICA RESTAURANT GUIDE

As there is little worse than a bad meal, Rhino Africa has designed this comprehensive eating guide so you can pick from tried and tested spots bound to satiate any appetite. We know our clients have discerning taste so, with that in mind, we gathered first-hand knowledge (at the expense of our summer bodies) to ensure you get only the best of Cape Town's diverse food scene.

Made to take the stress out of dining, we've even grouped each restaurant to make it easier for you to find what you fancy. We have no doubt it will lead you to enjoy the best of what the vibrant Mother City and her surrounds have to offer.

Some of our most popular and exclusive restaurants can have a three-month waiting list so if you're unable to get a booking, bear in mind cancellations do occur so chat to your consultant who may be able to orchestrate your desired dining experience.

At Rhino Africa, having good taste in restaurants is just the beginning. We are the leading online safari company in Africa and specialise in luxury travel in both Southern and East Africa. To plan your dream African safari, go to rhinoafrica.com.
